

# Blue Hills Retirement Board

Approved July 17, 2002

## Purpose

The Blue Hills Regional Vocational School Retirement Board (the Board) regulations require that all travel-related expenses that are to be paid for by the Board shall be related to the purpose of the authorized travel and shall be cost-effective.

## Authorization for Travel and Travel-Related Expenditures

Board regulations shall state that the Board shall pay for or make reimbursement to Board members and the staff of the Retirement Board for all appropriate and reasonable travel and lodging expenses, in accord with this policy.

Travel and related expenses are to be approved by the Board in advance of the travel.

Requests for travel by Board Members shall be placed on a Board meeting agenda, discussed in open session and approved by a majority vote of the Members of the Board present and voting. The meeting minutes shall reflect the Board's action and the extent of the authorization.

The nature of the travel, its purpose and estimated cost shall be outlined on a travel authorization form. The form must include a statement by the traveler, certifying that the expenses were incidental to the approved travel. Brochures for seminars or other presentations should accompany the request for travel where available.

A statement describing the presentation, conference or seminar should be entered into the minutes of the meeting following the travel.

## Required Documentation for Reimbursement

The Board will develop a form to be used in connection with any requests for reimbursement, requiring that the traveler certify that the expenses were incurred and were necessary and incidental to the approved travel. The regulations shall require that requests for reimbursement be submitted within a reasonable time after the expenses are incurred, but no later than within 30 days.

Any requests for reimbursement should be completed and properly approved after incurring any travel, transportation or meal or other travel-related expenses and before reimbursement takes place.

## Travel Arrangements

The Board should designate a Board staff member who is responsible for making all travel arrangements and for assisting Board Members and Board staff in completing authorization and reimbursement forms. When making travel arrangements, government rates or business rates will be secured.

An extended stay may be authorized if the net cost to the Board will be lower. For example, if airline fare is lowered by staying an extra day and the cost of accommodations and meals for that extra day results in a net savings to the Board, an extended stay can be authorized.

## Transportation

The Board regulations do allow for airline, train, bus, automobile rental, taxi, or other form of public conveyance (as cost effective) to be utilized.

All travel should be at the lowest fare available, generally economy coach fare.

The Board regulations prohibit payment for airline club memberships.

The Board requires that the source of rental cars be a national rental agency. The staff member responsible for arranging travel should negotiate the rental rate. The regulations should identify the class of motor vehicle that will be authorized for rental. It is the traveler's responsibility to verify that the rate charged is the rate negotiated.

The regulations must require acceptance of optional insurance coverage for rental cars.

The Board requires that any motor vehicle accidents that occur while using a rental while on Board-approved travel be reported as soon as practicable, in writing to the appropriate authorities, with copies of all such reports provided to the Board.

Board regulations prohibit reimbursement for fines or other expensed incurred as a result of traffic violations while on Board-approved travel. The traveler is personally responsible for such expenses.

## Lodging

These regulations must require that all reservations for accommodations should be made in advance. It is the traveler's responsibility to verify that the rate charged is the lowest rate available for a single room in a hotel/motel of reasonable quality.

## Meals

These regulations set the maximum daily reimbursable amount for the cost of meals at \$35.00 while on Board authorized travel. The Board's regulations may allow for reimbursement in excess of the allowable amount for travel to high-cost locations. These regulations require that if reimbursement is sought for meal expenses for others, these individuals have to be identified along with their affiliation and a description of the purpose of the meeting. Reimbursement shall be made only for meetings that are for business purposes.

These regulations prohibit reimbursement for lodging and meals included in the cost of registration.

## **Other Reimbursable and Non-Reimbursable Expenses**

These regulations allow for other reimbursable expenses based on proper supporting receipts. These include gratuities paid in accordance with local custom, telephone expenses limited to Board or business-related calls and one personal call per day, Internet connection charges, costs for faxing, and costs for necessary copying.

These regulations do not allow for costs incurred that are personal and therefore not reimbursable. These could include personal expenses, for example, in-room movies, mini-bar charges, gym fees, entertainment or recreational expenses, laundry and dry-cleaning and any payments for personal services.

These regulations strictly prohibit reimbursement for alcoholic beverages.

## **Cash Advances**

These regulations prohibit cash advances in connection with anticipated expenses.

## **Board Credit Cards**

These regulations do not authorize usage of credit cards issued to the Board.

## **Personal Travel Combined with Board-Related Travel**

These regulations must provide that if personal travel is combined with Board-related travel, the personal portion of the trip will be clearly identified and paid for by the traveler. Travel expenses or any other expenses incurred by a spouse, relative, friend or other individual accompanying a Board Member or Board staff member will be considered to be personal travel and will, in no event, be a proper expense of the Retirement Board.

Original itemized receipts must be submitted for all expenses including transportation, lodging, and other expenses incidental to travel.

Receipts should be required for individual expenses over \$10. Travel-related expenses that are under \$10 (such as gratuities) should be fully described and reimbursed based on the traveler's certification that the expenses were necessary and incidental to the approved travel.

Any travel-related expenditures which have not been properly documented or approved or are not in conformity with the Board's regulations must be rejected or adjusted.

Reimbursement shall only be made to the person who actually made payment to the expense.

The reimbursement request form must be signed by the person seeking reimbursement and signed under the pains and penalties of perjury.

## **Payments or Reimbursements for Expenses by Third Parties**

The Board's regulations must prohibit the providing to or receipt by a Board Member or staff member of anything of substantial value from any person, firm, partnership or other entity which may be reasonably expected to seek to

do business with or is seeking to do business with or presently is doing business with a Retirement Board or any person, firm or other entity that solicits or makes referrals or which may be reasonably expected to solicit or make referrals of any client on behalf of such a person, firm, partnership or other entity. These regulations prohibit the providing to and the receipt of anything of substantial value from such a person, firm, partnership or other entity indirectly through any person, firm, association, organization or other entity.

In instances where a Board Member or Board staff member participates in a legitimate speaking engagement, the Board shall pay all costs and expenses related to such speaking engagement, provided, that the Board Member or Board staff member complies with all of the travel regulations. The Board may accept reimbursement for such travel-related expenses of a Board Member or a member of the Board's staff from the third party, only under the following limited circumstances:

A Board Member or a member of a Board's staff may participate in legitimate speaking engagements in connection with their positions on the Retirement Board or as a member of the Board's staff and the Board may accept reimbursements from third parties necessary to cover travel-related costs for such engagements.

Acceptance of an honorarium or any other form of compensation is strictly prohibited.

To be considered a legitimate speaking engagement, the presentation must be formally scheduled on the agenda of a convention or conference.

The speaking engagement must be scheduled in advance of the Board Member's or staff member's arrival at the event.

The presentation must be before an organization that would normally have outside speakers address them at such an event.

The presentation cannot be perfunctory, but should significantly contribute to the event, taking into account such factors as the length of the speech or presentation, the size of the audience, and the extent to which the speaker is providing substantive or unique information or viewpoints.

The Retirement Board can be reimbursed by a third party for expenses only to the extent necessary for making the speech or presentation.

Under no circumstances can a Board Member or Board staff member receive reimbursement or any other payment or compensation from a third party.
